## **RCIC Program- Fall 2025**

Lessons will occur on Saturday afternoons in October and November 2025 at 3:30-6 p.m. in the parish hall. Lessons use a “Family Lesson” format, which means children will need a parent/guardian to always accompany them and participate in all the lessons with them. The lesson will include a snack and Parish Mass.

Please note that **attendance at all lessons is mandatory** as the program is highly compact. Missing a lesson will result in a significant gap in learning and will compromise preparation for Sacraments. If attendance on all these dates is not possible for your family, please consider waiting until next year to complete this program.

Students in Gr. 2, 3 and 4 will complete baptism / reception in this program and then join their peers in the separate First Communion program run by our Parish. NOTE: you must register your child to be in the parish First Communion program at the same time as this RCIC.

Students in Gr. 5 and above will complete baptism / reception in this program and then continue in this program to receive their First Reconciliation and First Communion on Saturday, December 6, 2025. If the child is in Grade 7 or older, the child may proceed to the separate parish Confirmation program. NOTE: you must register your child in the parish Confirmation program at the same time as this RCIC.
